

RESOLUTION NO. _____, SERIES 2007

A RESOLUTION REQUESTING THE LOUISVILLE METRO PLANNING COMMISSION TO HOLD A PUBLIC HEARING AND MAKE A RECOMMENDATION ON PROPOSED REVISIONS TO CHAPTER EIGHT (SIGN REGULATIONS) OF THE LAND DEVELOPMENT CODE.

Sponsored by: Councilwoman Madonna Flood

WHEREAS Chapter Eight of the Land Development Code (“LDC”) contains language regulating the placement and design of signs in Louisville Metro; and,

WHEREAS the Legislative Council of the Louisville/Jefferson County Metro Government (“Metro Council”) understands that Chapter Eight of the LDC has not been significantly amended in many years, though trends in sign placement, design and particularly technology have changed dramatically, and,

WHEREAS the Metro Council believes that updating Chapter Eight is in the interest of members of the business community, the sign industry, and the general public, as updated regulations will give greater guidance to those whose business requires the use of signs, as well as to those who are engaged in the business of fabricating and installing signs, and will ensure the development of more orderly and aesthetically pleasing conditions along streets and roads in Louisville Metro for members of the community; and,

WHEREAS the Metro Council requests that the Louisville Metro Planning Commission hold a public hearing to consider revisions to Chapter Eight of the Land Development Code that would bring this Chapter up to date with the most recent developments in the area of sign regulation, and forward its recommendations to the Metro Council,

NOW THEREFORE BE IT RESOLVED BY THE LOUISVILLE METRO COUNCIL

Section I: The Metro Council hereby requests that the Louisville Metro Planning Commission hold a public hearing and make a recommendation as to revisions to Chapter Eight of the Land Development Code.
